

New Finance Course Offered · Survey Results Students By Evening Division Announced By Newman Club

How to manage your money is the theme of a new course, "Personal Finance and Investments," being offered by the Evening Division of Santa Ana College beginning Tuesday, Oct. 20 in room D. 30.

The class will meet every Tuesday from 7:00 to 9:00 P.M. until January 26. James M. Anderson is in charge of the course. Anderson is a former investment consultant and is now a customer representative of the New York Stock Exchange.

Each class meeting will be conducted by a visiting specialist in the field of finance. On Oct. 20 Anderson will present a general survey of the investment field and personal finance problems. On Oct. 27, R. C. Raddant will lecture on "Investing small savings in Building and Loans."

Insurance Lecture

"Insurance" will be presented by Arthur L. Raaberg on Nov. 3. An additional lecture on insurance will be presented on Nov. 10 by Roy Elmore and David Carmichael. A. G. Eldred will lecture on "Real Estate Investment" Nov. 17.

"Securing small loans" will be the subject of a lecture by Don N. Cormier on Nov. 20. Elmer S. Poirier will present "Financing Real Estate Loans" on Dec. 1.

"Income Tax" will be the subject of a lecture by R. C. Edwards on Dec. 8. "Wills and Trusts" is the title of a lecture to be given Dec. 15 by L. S. Mortenson.

Securities Analyzed

Thomas P. Phelan of the Los Angeles Stock Exchange will give a "General Survey of the Securities Field" on Jan. 5. "Reading the Financial Page" will be covered by Anderson on Jan. 12, with an additional lecture on that date by George R. Liddle on how to analyze specific securities.

"Mutual Funds and Investment Trusts" will be presented by Danforth Field on Jan. 19. The course will be completed on Jan. 26 with a general review of the subjects presented.

SAC Registrar Receives Honor

Miss Genevieve Humiston, college registrar, was one of two women nominated for the presidency of the Southern California Junior College Association at the fall meeting held at Pasadena City College.

Miss Humiston will compete with Mrs. Hazel M. Wheaton, Harbor Junior College dean, for the top post in a mail election. She has been a member of the association's executive board for several years.

Thomas H. Glenn, head of the English department, is the only other previous Santa Ana president, serving in 1948-49. The office is rotated between administrators and classroom teachers, but this is one of the few times the nominations were confined to women.

Included in the delegation of Santa Ana educators at the conference was Bill Cook, head of the physical education department.

NOTICE

Students who want a Selective Service deferment must take a college qualification test first. The test will be given on November 19, 1953, and April 22, 1954.

Applications to take the test may be secured at the local draft board.

"Noon dances would increase the use of the Student Lounge by both men and women," say 80 per cent of the SAC students interviewed in a recent survey.

Among other ideas they thought would improve the use of lounge are music, magazines, and better supervision and more care on the part of the students. Some also felt the need for more decorations in the lounge, such as plants, drapes, straight chairs, ash trays, etc.

Out of those interviewed, 54 per cent said they use the Student Lounge. Those who don't use it object to the rough talk, rough actions, poor manners, and card playing on the part of some. The greatest complaint among the women is poor manners, while the men object to rough talk.

Others complained about insufficient furniture in the lounge, and only a few said that they have no time to spend in the lounge, or that it is too noisy.

When asked if the lounge should be for men and women both, 98 per cent agreed that it should be.

There was a total of 220 students interviewed, out of which 140 were men, and 80 were women. The survey was made by members of the Newman Club.

Otis Knighton Receives Post

Otis Knighton, assistant director of the Santa Ana College Evening Division, has been elected secretary of the Southern California Council of Local Administrators.

In his roll as secretary, Knighton has many duties to perform. These include collection of the membership dues, recording of meeting minutes, and complete charge of all council correspondence.

The council has a membership of more than 110 educators. Knighton said the group is preparing a handbook for local administrators. The SAC administrator has long served on the public relations committee of the group.

The council's next meeting is set for Nov. 2, in the Los Angeles Board of Education offices. The Council meets the second Monday of every school month.

Del Ano Pix To Be Taken On Campus

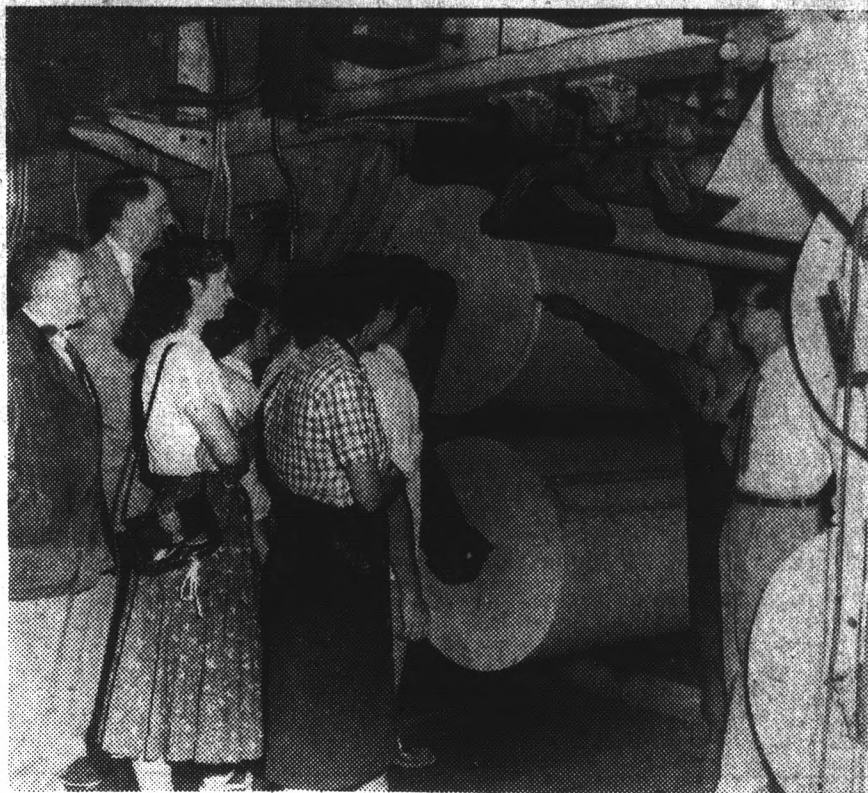

Sophomore and freshmen students will have their individual pictures taken for the Del Ano starting Monday, Nov. 2, Editor Herb Larsh announced today.

As a convenience for students, the Oliver and Loving Studio will set up a photographic studio on campus to expedite the picture project and eliminate the downtown trips of former years.

Details of scheduling the pictures will be outlined next week. Men will be photographed with coat and tie and also an informal pose.

Proofs will be available the day after the picture is taken and must be returned within a week. There will be a nominal fee of \$1 for the photography.

While efforts will be made to complete the pictures of all students on campus, the studio will be returned briefly next semester to include new students at that time. Following tradition, the pictures of both classes are included in the yearbook. Students desiring extra prints of their picture will have the privilege of purchasing them.

"ROLL THE PRESSES" was the cry of SAC journalism students as they recently visited the SANTA ANA REGISTER in honor of "Newspaper Week." Pictured, left to right, are Carl Venstrom, journalism instructor, Sky Dunlap, yearbook adviser, Dorothy Dees, EL DON editor, Joan Creech, assistant editor, Lorraine Elam, reporter, and Ray Gera, El Don sports editor. Explaining the workings of the cylinder press is a Santa Ana Register pressman. Conducting the tour was Harry Harvey extreme right, who is news editor on the Santa Ana daily. (Photo by Jerry White.)

'Madwoman Of Chaillot' Selected As First College Players Production

"The Madwoman of Chaillot," a comedy in two acts by Jean Giraudoux has been chosen as the first Santa Ana College Players production by drama instructor C. L. Ford.

The play will be presented November 17 through 21 in Studio A, with AS ticket holders admitted free, and general admission at 75 cents. Curtain time is 8:30 p. m.

The story is about the Countess, known as the Madwoman of Chaillot (played by Lesley Candon), who stops a plot to destroy the city of Paris. The Prospector (Bob La Porte), the President (Jim Hollenbeck), and the Baron (Bill Moody) are the men behind the scheme. Kay Pence as Irma and Delano Roberts as Pierre add romantic interest to the play.

Others in the cast include: Gene Graber as the Broker, Alice Schilt as Madam Constance, Judy O'Brien as Mademoiselle Gabrielle, Rita Riggs as Madam Josephine, Bert Kohnhorst as the Ragpicker, Bob Bradley as the Deaf Mute, Bob Baker as the Sergeant, and Marty Kmiec as Policeman.

Other parts in the play are Jim Bennett as Doctor Jadin, Norman Fritz as Doorman, Bill Reschman as Sewer Man, Daryl Cooney as Waiter, Jim Brush as Shoe Lace Peddler, Leroy Carreiro as Street Singer, Joan Fedden as Flower Girl, Judy Cole as Therese and Jeanette Prather as Paulette.

Mr. Ford is the director. The setting is Paris; the time and afternoon in the spring of next year.

Student Delegates Attend Conference

Annual Conference for the Eastern Conference Student Government Association was held last Thursday, October 15th at Fullerton Junior College.

The conference, holding sessions from 3 till 8:30 P.M., consisted of five sessions: Registration, Opening Session, Work Shops, Dinner and General Session.

Workshop sessions for the conference were organized under eight interest groups. These included Student Body Presidents, Finances and Insurance, Publications, Social Affairs, Athletics, Publicity and Public Relations, Campus Organizations and Clubs, and Assemblies and Rallies.

Junior Colleges participating in the conference were Fullerton, Orange Coast, Santa Ana, Chaffey, Mt. San Antonio, San Bernardino, and Riverside.

Delegations from SAC included Russ Patterson, Virginia Webster, Gretchen Heysel, Ron Burkhardt, Jody McKie, Jeanne Lancaster and Bob La Porte. Faculty members were: John Johnson, Dean of Men, and Sky Dunlap, College Adviser.

Milton Jones Wins Blue Ribbon Honors

A blue ribbon for high honors in livestock judging was awarded SAC student Milton Jones at the tenth annual Future Farmers of America Field Day, last Oct. 10, in Escondido.

Jones, a member of SAC's Young Farmers club was presented the award after receiving 242 points out of a possible 250. For the past two years SAC's judging team has succeeded in winning the trophy in its division.

Other members of the team are Orlan Grunklee and Ray Robinson. The Young Farmers team was in competition with seven other college teams. Judging was held at the Lilac Ranch near Valley Center in San Diego.

Alumni Invited To Homecoming

Plans for this year's homecoming program include SAC alumni as well as the regular students.

In the two day celebration, November 12 and 13, the alumni will sit in a special section at the Santa Ana - Riverside football game Thursday November 12, and they will also be guests at the Homecoming dance Friday, November 13, in the Student Union.

The Homecoming Queen will be elected by those who buy tickets to the Homecoming dance. Queen candidates will be nominated by the various campus organizations. The winner will be crowned at the football game, and will reign over the dance the following night.

Committee heads planning the Homecoming are Gretchen Heysel and Budd Coons, dance; Jeannie Lancaster and Bill Grant, queen contest; Jody McKie and Gene Frehler, publicity; and Ed Myers and Herb Larsh, alumni.

Sponsors for the dance are Mr. and Mrs. John (Sky) Dunlap, Mr. and Mrs. T. H. Glenn, Mr. and Mrs. Bill Helm, Mr. and Mrs. Harold Moomaw, and Mr. and Mrs. Horace Scott.

GOES 'WESTERN' — Gretchen Heysel, center, Commissioner of Social Activities, goes "Western" for the Chuck Wagon dinner and Sage Brush Shuffle held last Friday night. She is aided and abetted by James Serven, left, famous gun collector, and Dan McNaughton, right, College Director. (Photo by Jerry White)

TEACHERS PARTICIPATE IN INSTITUTE SESSION

School days, School days, Dear old golden rule days—that's what many Orange County School Teachers and Administrators sang as they rushed to class, to participate in a regional institute session last week in which they heard a blending of inspirational talks, music, workshops, and professional information during the morning and afternoon sessions held at the Santa Ana High School.

SAC Students

Many SAC students enjoyed their day of rest, at beaches, parks, mountains, and doing odd jobs they never had time to do before, while 2,400 Orange County School Teachers and Administrators gathered to hear major talks by Dr. W. Ballentine Henley, Los Angeles educator, speaking on "How to be Happy in a Frustrating World" and Dr. Ralph Beals, UCLA educator, spoke on "Who Learns What—and Why".

Keynoting Sessions

Dr. Henley, keynoting the sessions, stressed the grave responsibilities of teachers "in giving our students some inspiration to cushion them for the world they have inherited". He said too many people try to buy status and be something they aren't.

The Santa Ana session featured music by the Concertines, an orchestral group, and the USC A Cappella Choir.

Cities Taking Part

Other host cities for Regional Institute Session were Anaheim High School and Newport Harbor High.

SAC Grads Enroll At Univ. OF Cal., USC, San Jose, And U. S. Army

Richard Brock, SAC grad of '52, is now a senior at the University of California at Berkeley where he is majoring in comparative literature.

Maurice Duke, journalism grad of '49 and San Jose grad of '51, is presently employed as a right of way agent for the Division of Highways, State of California, and is working out of San Luis Obispo.

Elsner Receives By-line

Bob Elsner, managing editor of El Don last spring, is continuing his major in journalism at the University of Southern California. He has received several by-lines for his sport's stories on the Daily Trojan at U.S.C.

Jane Lindemuth, SAC grad of '51, is continuing her major in journalism at Stanford University

Last spring's El Don editor Bill Shands is presently attending San Jose where he is a junior in journalism where she is a senior. Last spring she was presented with an award at Stanford for being the outstanding junior woman journalist. Kenyon K. Kohne, SAC student from 1950 to 1953, entered the Naval Aviation Cadet program in June, 1953 at Marine Corps Air Facility, Santa Ana. At the present time Kohne is assigned to the U.S. Naval Auxiliary Air Station, Whiting Field, Milton, Florida, where he is engaged in primary flight training.

Levin at Stanford

SAC engineering grad Bob Levin, '51, is presently a senior at Stanford University where he is completing his education in engineering.

BOB BRADLEY FROSH PREXY DRAMA MAJOR

B. B. Bradley

Bob Bradley has been in the limelight since he recently took his executive office, as Freshman Class President.

He jumped in the swing of things from the start, by heading committees and planning after game dances. "I assure you, there are BIG PLANS ahead for the Freshman Class, as we are backing all athletic events," said Bob.

Majoring in drama, Bob plans to continue on at the Pasadena Play House, to make acting his career. He is playing the part of a deaf mute juggler, in the "Mad Woman of Chaillot", the first of student production to be featured here at SAC, this semester. "My favorite play up to date is Mr. Roberts and Charles Laughton is a GREAT figure to look up to in the acting field," expressed Bob. Bob's favorite roles are comedies and when you see him in the coming production you will agree, comedies are great!

Originally from Oklahoma City, Bob became a native Californian at an early age. He attended Santa Ana High, where he participated in many drama productions on the SAH's stage. When asked about our SAC campus he stated, "there's none better, and has room for improvement."

"I would like to take this time to invite each and every one of you on campus to attend the Executive Board meetings which are opened to you. I am especially impressed by the form of the meetings and the way the board is handled. I know you will enjoy them as I do," commented Bob.

Fender Benders Hit High Enrollment

The body and fender class, in building, instructed by Mr. Arlin Pirtle, is now in its most successful semester. His class was closed due to its popularity.

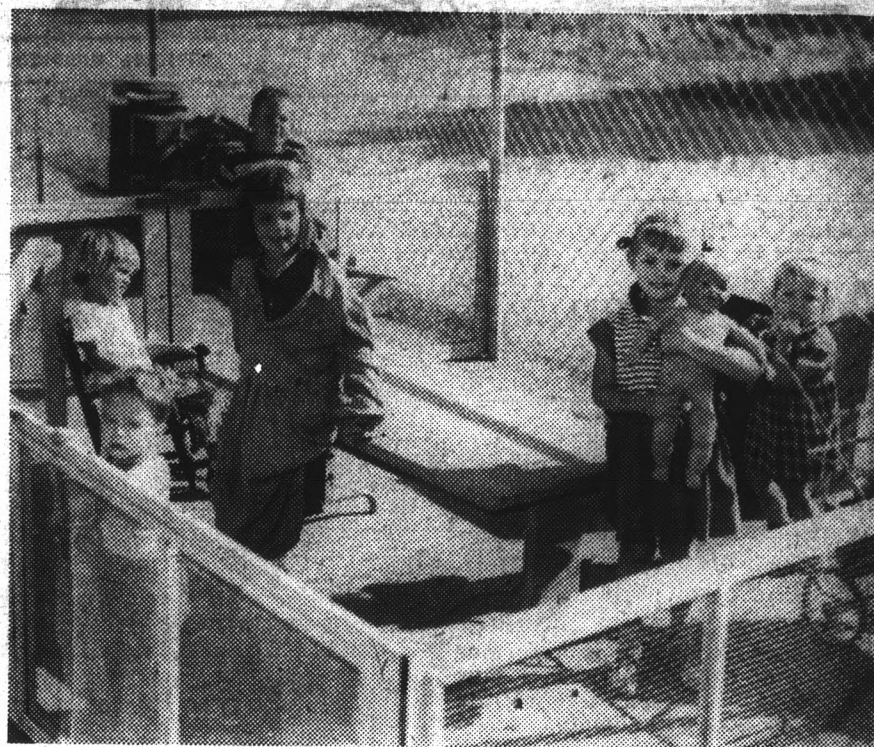

Many of the students who are enrolled in the classes come from Santa Ana, but there is a good registration from other areas, including Fullerton, Anaheim, Orange, Garden Grove, and as far as Brea.

The Class has been taught by Mr. Pirtle since 1950 and his instruction includes many automotive skills, such as welding, spraying, upholstery, glass, brakes, front-end and frame alignment.

Students who wish to have minor repairs done on their cars, are instructed to see Mr. Pirtle any time between 8 and 11 a.m. during the week.

During his second year at SAC Levin won, on a competitive basis, a two year scholarship to Stanford. Next year Levin plans to work on his masters degree in Engineering and to be a part-time instructor in Engineering at Stanford.

Bob Gaylord, Henry Kogge, and Leslie Van Nice, all '53 SAC engineering grads, are presently continuing their engineering studies at the University of California at Berkeley.

MOTHERS TAKE INTEREST IN POPULAR SAC COURSE

"Once there was a woman who lived in a shoe. She had so many children she didn't know what to do."

This might well be the theme of Mrs. Zena McMurray, director of SAC's Child Development Center, as she watches and guides her brood of three and four year olds.

Home Economics 13A and 13B "Child Development and Nursery School Techniques", is one of the most popular courses offered to the students in both evening and day schools.

It's Purpose

It started last year and its main purpose is to meet the needs of young adults in the Junior College class who are interested in Home-making and Family Life Education.

Parents Assist

Many parents enrolling in the course may enter their pre-school children in the Child Development Center where equipment and activities suitable to their age interests are offered them. Parents taking the course are present at all times to observe, take notes, and work out solutions relating to child care problems. The nursery school also tries to direct physical, social, and mental development of the child.

Activities

Mrs. McMurray, has planned a full semester of activities helpful, useful, interesting, and exciting to the younger set. In conjunction with Mrs. McMurray's work in the Center is Miss Lota Blythe's new course in Children's Literature which is open to mothers whose children are attending the Center and to SAC students who are taking the course.

The Child Development Center is definitely of service to all ages of students who are a part of SAC and the community, and who are interested in the growth, development, and guidance of children.

New Costume Laboratory On SAC Campus

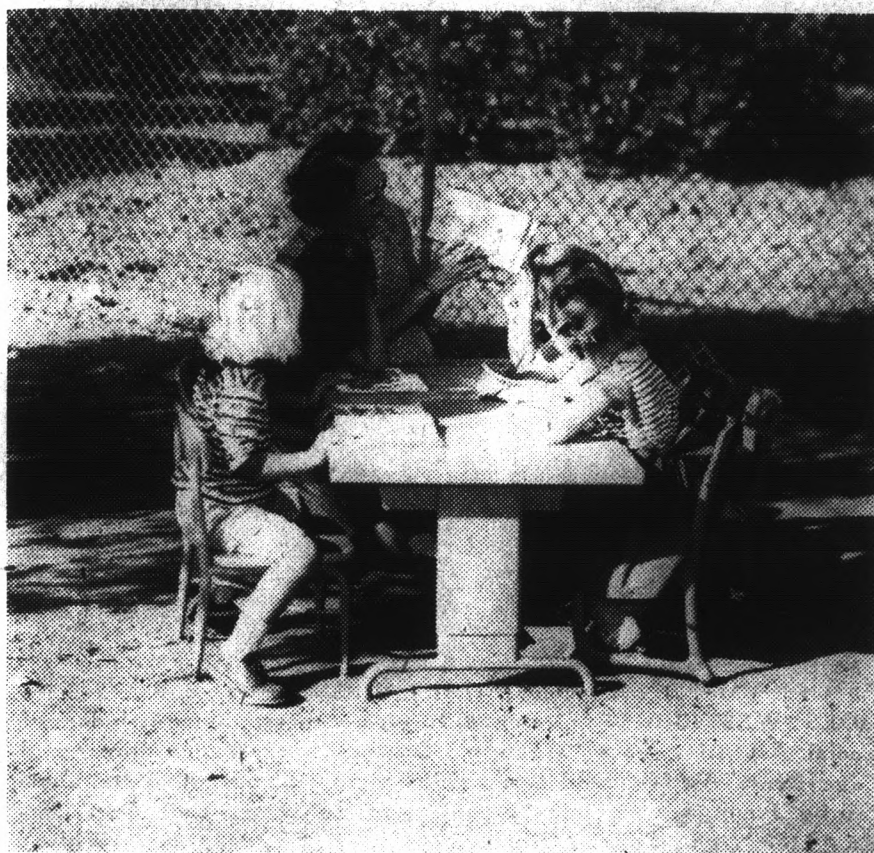

"The drama department now has its own costume laboratory," reported Miss Rita Riggs, instructor of theater costuming.

The new costume lab located in Q6 of the library building now has two sewing machines, a cutting table and will soon have ample storage facilities. The students are presently learning how to buy materials, and how to design, cut, and construct the costumes for stage productions.

"Mad Woman of Chaillot" by Jean Giraudoux, will be the first play to be produced this semester, and will run from November 17th to the 21st.

The costumes for this play are quite interesting to prepare," said Miss Riggs; "since they cover French dress from the turn of the century to the present."

Miss Riggs also stated that "the drama department will welcome any donations of costumes. Costumes from any period and of any type, can be used." Donations may be left on the campus in Studio A whenever convenient for the person giving the costume.

THEORY AND PRACTICE is the slogan of the shop training program at Santa Ana College. Caught in action in the above photographs are, top row, left to right, Mr. George Sweeney, instructor of automobile repair, with students Clinton Wells and Robert Towey. In the upper right hand corner are left to right, student Jesus Torres and machine shop instructor Mr. Glen Larsen, pictured turning a piece of metal in a lathe. Lower left is Mr. Sweeney inspecting a newly arrived steam cleaner. Bottom row, left to right center, are students Chester Lyman and James Arnold being shown the correct use of the grinder on body and fender work by Mr. Arlin E. Pirtle, body and fender shop instructor. Bottom row, right, are machine shop students Ronald Carr and Martin Bidart busy threading a piece of metal. After two years of shop training the student is eligible to apply to a state board of examiners for apprenticeship credit. (Photos by Jerry White.)

Drama & Music Depts. Combine For Assembly

On October 27, in the Student Union, the SAC drama department under the direction of Lee Ford will present a studio play entitled, "The Canterville Ghost," by Oscar Wilde.

The cast for this production includes Arthur Sherman as the ghost, Carol May as Virginia, Darlene Lewis as Mrs. Umney and Lady Elinor, Delano Roberts as Lord Canterbury and Washington, Ron Hallett as Jefferson, Jim Hollenbeck as Mr. Otis, and Bill Moodie as narrator.

The Swing Choir, under the direction of Gordon Wheatley, will also appear at this assembly.

October 28, SAC will present the same program at Orange Coast College. October 30, Orange Coast will hold an assembly here for the Associated Students of Santa Ana, in an assembly exchange.

Kathman Selected Newman Club Prexy

Officers of the Newman Club were elected at a recent meeting held in the home of Jeanette Fisher, with Eileen Kathman voted in as president; John Merino, vice-president; Jeanette Fisher, secretary; and Jim Prager treasurer.

The club's responsibility to help serve at the Chuck Wagon Dinner was explained by Marie Pound, club adviser, and preparations to tally the results of the survey made of the student lounge were made.

Skill And Theory Presented In SAC Trades Program

(Editor's Note — Following is the first of a series of articles written by Lorraine Elam, El Don reporter, to acquaint students with the various departments of the college.)

The shrill ear-splitting blast of a steam whistle opens the 8 o'clock shop classes in building "Y" on the Santa Ana College campus. The odor of lubricating oil pervades the atmosphere, and is perfume to the mechanically minded students.

Building "Y" is divided into three sections. The first is devoted to automotive trades with Mr. George W. Sweeney as instructor. This is a complete automobile repair shop, and includes all of the latest equipment for engine tune-up, diagnosing and testing, and also has a synchograph and steam cleaning outfit.

Theory And Practice

"The students are taught not only the theory and practice of automotive maintenance and repair but also the importance of

good public relations, punctuality and reliability," said Mr. Sweeney.

As we go on through the building we come to the machine shop where Mr. Glen M. Larsen is the instructor. In this shop the students are taught the care and operation of lathes, drill presses, grinders, a shaper, milling machine, and crank-shaft grinder.

Aptitude And Skill

Mr. Larsen stated that "if a man has a reasonable number of mechanical aptitudes, he should, by the end of the two year course, be able to accomplish the work demanded in an industrial machine shop." Larsen pointed out that "employers are looking for young machinists who are able to produce." He also stressed that "it is important for shop students to study mechanical drawing."

The third department is the body and fender shop. Here the students learn to overhaul brake equipment, repair upholstery, install glass, do welding of all kinds, and also sand, paint and remove dents from bodies and fenders.

Mr. Arlin Pirtle, the instructor, explained that "body and fender work is strenuous, but skilled men in this field are always in demand. The subjects taught here are so wide and varied that a man has a choice of many fields in which he can specialize."

Apprenticeship Credit

After a student has completed two years of shop training in any one of these three trades he may apply to a state board of examiners for apprenticeship credit. Then, after two years of work in an industrial plant as an indentured apprentice he will be eligible for a journeyman's certificate. The ownership of a journeyman's certificate is valuable evidence of superior skill in a trade or craft.

Monthly French Movie Regular Club Activity

SAC's French club, formerly known as L'Hotel de Rambouillet, has re-organized after one and one half years of inactivity.

The group held its organizing meeting Tuesday evening October 13, in the El Don newsroom. John Merino acted as temporary president, and Carol May was acting secretary.

Plans for the next meeting to be held Tuesday, October 27, at 7:30 p. m. in the Student Lounge were discussed. Students enrolled in any one of the three French classes are invited to attend this meeting.

A French movie once a month and an occasional dinner at a French restaurant will be regular activities of the club, and the name L'Hotel de Rambouillet will probably be retained. The club plans to meet the second and fourth Tuesday of every month, and dues will be 50 cents per semester.

Those who attended the first meeting include: Gertrude Bobleter, Floyd Claus, Charles Clausen, Dorothy Dees, Carol May, Clemente Mendez, John Merino, Jeanette Rosenberg, Ray Smale, and Keith Smeltzer. Club adviser is Carl Schulz, French instructor.

SAC Grad Enters Pasadena Playhouse

Martha Havermale, a 1953 graduate of SAC, has completed her third week as a drama student at the Pasadena Playhouse.

Miss Havermale is studying music, dancing, stage technique, stage make-up, and the biographies of great dramatists. She has already been assigned her term project which is to give a forty-five minute talk before the class on the life and work of a great playwright.

A speech major while at SAC, Miss Havermale was a member of Las Gitanas, and Tavern Tattlers. She appeared in most of the college dramatic productions including: "Pygmalion," "Phoenix Too Frequent," "Gayden," "Damask Cheek," and "Rio Rita."

El Don Rated 'First Class' By Minnesota Critical Service

El Don has received a "First Class" rating from the University of Minnesota's Critical Service, stated journalism instructor Carl Venstrom.

The award was made on the basis of papers published during the spring semester of 1953, and judging was done by members of the university's journalism department. El Don was judged as a bi-weekly in the junior college division.

The University of Minnesota scored El Don on the basis of news value, news writing and editing, headlines, typography and make-up, and department pages and special features. In the total scoring, EL DON received 970 out of a possible 1,000 points.

The "First Class" rating is second only to "All American", which El Don received the fall semester of 1952-53, and which is given to only three junior college newspapers in the country.

El Don was praised for good school coverage and reportorial style, and about the newspaper as a whole, the examining judge has this to say, "Your paper has a most agreeable personality and many points of excellence. It is of 'All American' quality in most respects."

Editor and photographer for last semester's EL DON was Bob Elsner. Other staff members included Ellen Daugherty, advertising manager; Bill Shands, feature

editor; Bob Hicks, news editor; Bud Ottaway, sports editor; and Ernie Luzania, circulation manager. Reporters were Ernie Luzania, Ellen Daugherty, Dorothy Dees, Donna Wentzel Hicks, John Dowden, Carmela Clark, and Ronald Hallett.

Las Doncellas Adds Six To Membership

Las Doncellas, women's honor society, welcomed new members yesterday evening with a pot luck dinner at the home of Miss Dorothy Decker, club adviser.

New members are Esther Flores, Maureen Holthe, Betty Van Meter, Irene Murphy, Janet Tidball, and Virginia Webster.

Las Doncellas president is Louise Wilson. Dana Edwards is vice-president, and Esther Valles is secretary.

Dons Clash With Redskins Tomorrow

END OF THE LINE — Fullback Dick Domingos (18) of Santa Ana skirts left end for six yards to Mounties 45 yard line for a first down. Two unidentified Mounties team up to make the tackle tackling Jack Elder (44) left half, down with them. Mt. SAC trimmed the Dons at a close 14-12. (El Don Photo)

Santa Ana College Dons Pick Lyons In Spotlight Inman As Basketball Coach

Stuart (Stu) Inman, AAU basketball star, former player at San Jose State and a high school coach the last three years at Fresno, has been appointed head basketball coach at Santa Ana College.

Inman prepped in Alameda, then played four years under Coach Walt McPherson at San Jose State, scoring 1343 points during three varsity seasons and 33 in one game. Both of these records still stand and helped him win second mention twice on the All-Coast team and honorable mention for all-American.

After graduation, he teamed with George Yardly, Cliff Crandall, Don Anderson, George Walker and Andy Wolfe on the Stewart-Chevrolets of San Francisco to win the National AAU tournament at Denver. He played all positions during his career.

Inman married a Santa Ana girl and is teaching in the Santa Ana school system. His choice to coach

Don basketball is part of the development of the athletic program at Santa Ana, featured by construction to start soon on a new gymnasium which will have permanent seating for 2400 and facilities the equal of any Southland college gym.

Dons Bow Out To Mt. SAC Lose First League Game

A high spirited Don defense was not enough to keep the Mount San Antonio College Mounties from spelling victory at the Santa Ana Municipal Bowl.

Although the Dons were able to hold the mounties at a slim 13 points the Don offense was unable to add another touchdown to their seven points. The final score of the game was 13-7 favoring the Mounties.

Santa Ana won the flip and kicked off to the Mounties, both squads held a scoreless quarter. Jack Elder ran 67 yards to score for the Dons in the second quarter with Jarrett Terrell booting the extra point.

Late in the fourth quarter the Mounties had the Dons back on their own one yard line with a fourth down and were pressing the point of a touchback. Gary Mark kicked 47 yards to send the opposition to mid-field and too far back to score again before the game was over.

Trackers Take Double Triumph

Santa Ana College's track team scored a double triumph in its first two cross-country meets, beating Long Beach College 21-34, on October 9th; Mt. San Antonio 21-34, October 15th.

Ed Denbow led Coach John Wards victors by winning the first 2.8 mile race with a flashing time of 14.11 and the second with a time of 14.51.

Gridders To Meet Toughest Eleven In Eastern Conference League

By Ray Gera

Santa Ana's Dons will be seeking their return into the victory column tomorrow when they invade the San Bernardino National stadium, home of the San Bernardino Redskins, at 8 p.m.

Despite Santa Ana's 13-7 loss to Mt. San Antonio and the 0-0 tie with Whittier last week, the Dons figure to come back strong against the mighty Redskins.

The Dons under the coaching of John Ward and Eddie Eaton, started out the season with a 13-0 loss to Riverside, 7-0 win over Palomar, 14-12 loss to Long Beach, a downfall on their first conference game to Mt. SAC at 13-7 and a 0-0 tie with Whittier.

Coach Eddie Eaton places his hopes on the ever improving Don line. Santa Ana's Dons have proved themselves almost invulnerable. Both coaches John Ward and Eddie Eaton are hoping to get their injured gridders back into playing condition for the big game with the Redskins.

For a little bang up history on the Redskins, they show a pretty good record. San Bernardino's '53 wrecking crew leveled the Seahawks of Harbor JC 38-12, tied Compton City College 6-6 and lost to National Poly University in Mexico City at 32-25.

The Redskins Coach Clyde Williams plays host to Santa Ana's Dons and brings out to them his key men, Dick Parque at quarter, Jim Antoine, left half; Walter Smith, right half; and Bud Matheny, full back.

SAC's Dons Clash In Dead Heat With Whittier Frosh At SA Bowl

SAC's Dons battled the Whittier "frosh" last week for a no-score game at the Municipal Bowl. Santa Ana was the favorite to win the fight but they couldn't get enough power to get the ball into the end zone.

Although some good attempts were made to score the best was in the second quarter, with a series of passes and four first downs. Santa Ana worked down to the Whittier 11 yard line. With the final down approaching, Jack Elder passed to the end zone which panned out to be incomplete.

The Don offense was connecting throughout the game, but it seemed that when the Dons would get rolling the Frosh would always stop them. Both teams almost identically the same in playing would always be stopped by the defensive team.

Jack Elder and Dick Domingos put on a promising show in the third quarter, Elder passed to Domingos who in turn carried the ball for 21 yards and a first down. Only to have the final play intercepted by Bob Paholski the right half of Whittier.

With a see-saw game for the remainder of paying time, the gun was fired ending the game at a 0-0 tie.

Gene Geselle Don's Center Don-of-Week

Gene Geselle, for his outstanding work in the Whittier "Frosh" game has been voted as Don-of-the-Week. The voting takes place at Vandermaats after each game. A ballot is found in every program at the football games and should be placed in the ballot box at Vandermaats.

Gene plays at the center position on the Don team, he is 5'8" and weighs 190 pounds. He hailed from Anaheim, went to Anaheim High School. Gene played football with the Anaheim Colonists for four years, two years he played on the varsity team. He has four letters in football and one in track.

His interests now are in criminology which he is majoring in here at Santa Ana College, his intentions are to go on to a university when he finishes here.

Sage Brush Shuffle Goes Western

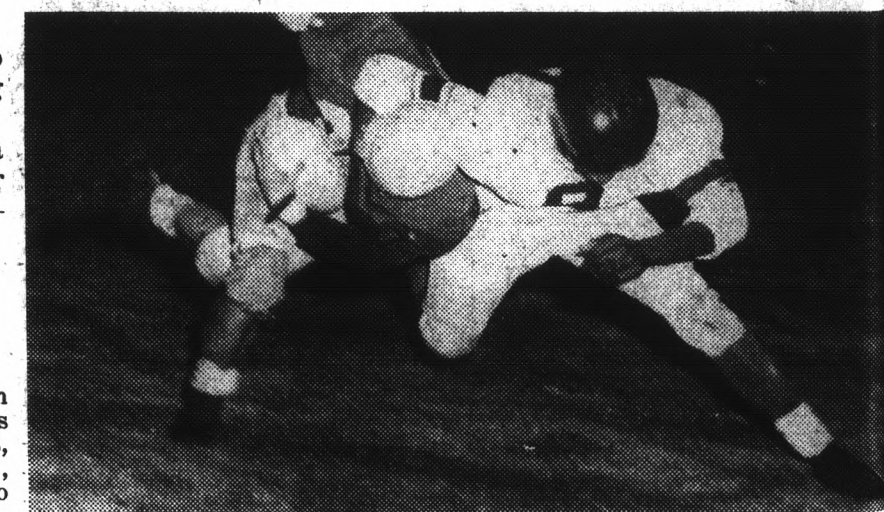

A western theme prevailed at the recent Chuck Wagon dinner and Sage Brush Shuffle dance held last Friday evening, October 16.

WAA, under the direction of Judy Cole, was responsible for the decorations. They used branding irons, cactus pants, a wagon wheel, steers' heads, and various other objects symbolizing the West.

The dinner was served at 7 p.m. by the Newman Club and Future Farmers Club, and the Sage Brush Shuffle dance followed at 8 p.m. Music for the dance was furnished by Rojas Harmonizers who played a wide variety of dance numbers.

"Some thought is being given to holding next year's Chuck Wagon dinner and dance earlier in the year as a get acquainted affair," stated Agness Todd Miller, Dean of women.

Assisting with the Chuck Wagon dinner were John Johnson, Dean of Men, and Bob Bradley, freshman class president.

MAN YOU'VE HAD IT — Right-half Chuck Neal (9) of the Dons shoots down-field to snag Dick Hanna (37) Whittier quarterback in the fourth quarter stopping a first down. Santa Ana's Dons tied with Whittier's Frosh 0-0. (El Don photo by Jerry White)
